Cllr Jeff Jones proposed Cllr Colin Mercer as Vice-Chairman of the BNPC and this was seconded by Tom Gurd and agreed unanimously.

**80/20/NPC Chairman's Comments**

Cllr Wildin said that he had agreed to take up the Chairman's mantle so that the Plan could continue on course and that he was committed to carrying it through successfully. We would build on the phenomenal amount of work that had already been undertaken but there was still much to be done. We would work closely with Plan-et who now had the updated 2nd, draft.

The Chairman reported that Cllr Mercer had spoken to Plan-et and they hoped to have the 3rd draft ready by the end of April, or earlier if possible. We would ask Plan-et to highlight any queries but until they came back to us there was little for the committee to do. However, the Chairman and Cllr Mercer were working through the draft Plan to familiarise themselves with its content, which involved a lot of reading.

**81/20/NPC Public Questions**

Nothing had been submitted.

**82/20/NPC Documents for noting**

- BPC Report 2020-12-08 in NP Reports to Parish Council
- NP Change list 2020-12-08 in NP Reports to Parish Council

- BNP Update 2020-12 in NP Updates

**83/20/NPC Documents for this meeting**

- Health & Wellbeing Paper v15
- Locality Green Matters Paper v11

It was reported that both of these papers were now up to date. There were no further comments from members.

**84/20/NPC Notes for the next meeting**

We would hope to begin reviewing the 3rd Draft of the NP. If it had not been finished Plan-et would be asked if they could release any completed sections so that we could begin working on them. It would be necessary to prepare the Contents paper early in the proceedings.

**85/20/NPC Working papers presented to the BPC on 9th March 2021**

- Botley Strategic Housing Land Availability Assessment v27
- Housing Paper v28 (now v29 following change approved by PC)
- Housing Paper Appendix v28 (also now v29 as above)
- Infrastructure Paper v33

An amendment to the Housing Paper v28 had been agreed so that the wording relating to land at the Pear Tree Inn in Boorley Green was identical to that relating to the two plots of land at Woodmill School. All four papers were then approved by the Parish Council.

**86/20/NPC Botley Neighbourhood Plan**

86.1 The Chairman said that he would put together a draft plan for the next steps to be followed and would appreciate some input for this. Cllr Jones said that we should ask Plan-et to give clear guidance on future procedure to be followed, especially regarding the Section 14 Pre-Submission consultation.

86.2 It was agreed that, although the latest version of the 2nd Draft had been sent to Plan-et, there were possibly some gaps in the text and perhaps some errors. Tom Gurd would pass on to the Chairman and Cllr Mercer the comments that he had sent to David Weeden, and the reply he had received. Cllr Jones was concerned that changes should not escalate. Cllr Mercer said that should anything be amiss it would be discussed with Plan-et as necessary.

**86.3 Cllr Jones then proposed that the Committee should delegate the Chairman and Cllr Mercer to review the 2nd Draft and consult Plan-et on any difficulty. They should report back to the rest of the Committee by email. This was seconded by Jonathan Appleby and agreed by all.**

**87/20/NPC Correspondence**

No items of correspondence had been received.

**88/20/NPC Date of next meeting**

Wednesday 21 April Month 2021 using Microsoft Teams

The Chairman thanked everyone for their support and the meeting closed at 19.52 hours.
